

# 4 Absolute Health

Thank you for participating in our Free Health Screening. This is as easy as 1.2.3.

1. Fill out this form and email to [info@4absolutehealth.com](mailto:info@4absolutehealth.com) or fax a printed copy to 503-630-2002.
2. Watch your email for your personal invitation to take the test. This email will include a link that will allow you to start your test. This test is comprehensive. It will give you a baseline so you can measure your progress as you proceed on this journey to better health. If you need to stop the test in the middle, it will be automatically saved. Sign in with your username and password at a later time to continue.
3. After finishing your test, wait for your results by email. This will include your top 3 health issues and suggested products to address these issues. These are suggestions and, of course, if you have any questions, contact us at [info@4absolutehealth.com](mailto:info@4absolutehealth.com) or 503-630-3000.
